

and the ^{bracy} heart that she took a see and
and went down and after the first see
James was seen no more and the boat
did not go down and John and Hugh did hing
on by the boat til they did bring the boats
from the shore and took them of and William
got a batch of to ours and James as boards is not
yet got and William Couther and us soon to
the other side of the burning and it was to
our great surpris when they stole us about him
we had a good broap in the mans last year
and we had better then to pools of frooles in the
littel field that you had and matthew year and
Jeannet is left this place now and matthew
is bound to John Hasswell in may boal to be
a wright and Jeannet is goan to Stranraer
to learn the dras making and the lads and
lasses is much the same as when you ware
Dear and Eyness and marry and Jeannet
Couther is to get the half of the fourmitour
at the aale swips death and Eyness and
Eyness is to get a clock and Jeannet is to get a
clock and marry has got a watch already
Thomas as daughter is to get the half of
the fourmitour now the shore and writ me
all the portulicors what you ware doing
the last year and all the portulicors about
the century and what you think about it
or how you like it Jean Cochran his hir
Complements to you all and grand father
sues that littel William is to boam and get
soom black barres and Jean Cochran is
peaced in the noclagh and John peoples and hir
illness is as strano as ever they did

David Ferguson James McLeod of Eschom
Messrs Mitchells is fishing in Mr Henry boat
though Dickson is fishing in Mr Henry boat
along with McLeone "Little Louis" is still
saying that he will go to America to see
his Cousin -

Mr Gilbert McWhorter
Dear Eschom
for Mr John McWhorter
John McWhorter
Sandy
Chelair

Sandy had one of hogs killed with us that
weighed 70 English pounds meat and
tallow, we have another pet sheep a
pig a stork and a Quary Clave that we are
going to keep for a Cow we have still the old
Cow yet
